

Full Service - We set it up, serve it up, & clean it up...

Full service catering is a staffed event for parties of 50 or more. Bar-B-Que Beach provides buffet tables, table cloths, stainless steel chafing dishes, serving utensils, paper products and trash cans. We require one server per 40 guests. The fee per server is determined by length of service and the location of your event. The server fee includes set up, service, and clean up.

Delivery Deluxe - We set it up, but you serve it up...

Delivery Deluxe catering is for parties of 25 or more. Bar-B-Que Beach provides all disposable items for your buffet including a tablecloth for a buffet table, disposable chafing dishes, plastic serving utensils, paper products, trash bags and sanitary gloves. There is a \$50 delivery fee depending on location of your event.

Delivery - No frills, just mouth watering BBQ brought to you...

Delivery is for parties totaling \$150 or more and there is no minimum head count. Custom build your order by itemizing what you need. There is a 20% delivery fee. Catering supplies such as paper goods and serving utensils are not included, but they can be purchased from our paper products menu.

Pick-up - No frills, just mouth watering BBQ that you bring to your table...

Pick up anything you order from our take-out menu or the "Portable Beach" Party Pack. We will pan and box your order and make a setting up just as easy as delivery. Choose from our delicious "Authentic Real Pit Barbecue", lip-smackin' side items, appetizer platters, desserts and beverages.

About our barbeque...

It's no mystery why our barbeque is so moist, tender and flavorful. First our ribs, pork butts, beef brisket and chicken are slow-cooked over smoldering woods for up to 14 hours...

The heat and sauce penetrate deep into every layer of meat, turning it a pinkish color while enriching every juicy mouthful with rich smokey flavor...
